PROFESSIONAL SUMMARY

Bachelor of Science in Information Technology student at Central Luzon State University seeking an OJT internship in software or web development. Experienced in developing academic projects involving web applications, database management, IoT integration, and cloud computing. Familiar with PHP, Laravel, React.js, Python, MySQL, and AWS fundamentals. Eager to apply technical knowledge, contribute to development projects, and gain practical industry experience.

TECHNICAL SKILLS

Programming Languages: Python, PHP, Java, C,

Web Development: HTML, CSS, React.js, Laravel, Django

Database Management: MySQL, phpMyAdmin, MySQL Workbench

Development Tools: VS Code, Postman, XAMPP, Arduino IDE

Cloud & IoT: AWS EC2, VPC, IAM, CloudWatch, ESP32, RS485/Modbus

Other Skills: REST API Integration, Troubleshooting, Microsoft Office

ACADEMIC PROJECTS

IoT-Enabled Soil Analysis and AI-Assisted Fertilizer Recommendation System

- Developed an ESP32-based soil monitoring workflow using RS485/Modbus sensor readings and a web dashboard.
- Integrated PHP/MySQL data handling and AI-assisted fertilizer recommendation features for selected crops.

YKJoson Gas & Laundry Management System

- Developed a two-in-one Point-of-Sale (POS) system for customer management, order tracking, and billing.
- Integrated inventory management to monitor stock availability and maintain inventory records.

Job Application Tracker

- Developed a web-based application designed to help users organize and monitor their job applications.
- Implemented application status tracking and job opportunity management to streamline the job search process.

EDUCATION

College: Central Luzon State University (CLSU) | Bachelor of Science in Information Technology | 2023–Present

University Scholar (Second Year 2nd Semester and Third Year); College Scholar (First Year and Second Year 1st Semester)

High School – Senior High: Saint Paul University at San Miguel (SPUSM) | Science Technology Engineering and Mathematics (STEM) | 2017–2023

With Academic Excellence Award

CERTIFICATIONS & TRAINING

- AWS Academy Graduate – Cloud Foundations | AWS Academy | September 2026
- Introduction to Modern AI | Cisco Networking Academy | March 2026
- Data Visualization using Plotly | Coursera | March 2026
- Data Visualization using Bokeh | Coursera | March 2026
- Data Visualization | Kaggle | March 2026
- TechSTART: IoT 101 Using Arduino | START–DOST | December 2025
- SEO 101: Mastering the Basics and Applying SEO in Freelance Work, Websites, and Digital Projects | CLSU | September 2025
- Freelancing 101: Building Skills and Earn Online | CLSU | August 2025
- SEKDER: Steering Excellence Through Knowledge, Development, and Empowered Rights | CLSU | August 2024
- A Seminar on Leadership | CLSU | March 2024
